Dear Customer

*Welcome to our **2014 Christmas Catalogue**.. and what a catalogue we have lined up for you this year!*

*It's been another busy 12 months here at **Carey's Pipe & Tobacco Shop** and I'm sure this is reflected in our latest edition. Most noticeable will be the bumper size, with 12 additional pages of your favourite pipes, tobaccos, cigars and accessories. That's 44 pages in total and by far the largest catalogue we've ever printed! So here's a quick summary of what you can expect this Christmas...*

*First and foremost there is lots of space dedicated to our great value Carey pipes, both **Magic Inch and 9mm filtered** – 16 pages in fact, featuring 22 ranges! As for tobacco, whether it's one of our new guest brands or one of our own great blends you won't be disappointed to hear we've dedicated five whole pages to our favourite crop. Then there are the copious **guest brand pipes** including Black Coral Meerschaum, Rattrays, Falcon and many more.*

*As it's Christmas, why not treat yourself to a **fine cigar**? We're now stocking brands to suit all budgets and tastes, from the cheap and cheerful Backwoods and Candlelight to mid range offerings from Luis Martinez and Brick House, all the way through to **premium, hand rolled cigars** from the likes of Cohiba, Montecristo, Drew Estate and Macanudo.*

*We're constantly updating our lighters and accessories pages and this edition is no different, but in a change from the norm we've also included a page devoted to **gifts**. From pipe emblem cufflinks, to tankards and our famous pipe smoker aprons we should have those last minute stocking fillers covered! And for those that may be interested we've even included a page of the latest **electronic smoking products** that make it easier for pipe smokers to enjoy their passion wherever and whenever...*

*And finally, a brief reminder that we'll be open for business throughout the Christmas period but will be operating with reduced capacity on some days. **Please ensure that all orders required for Xmas delivery are placed before 1pm 18th December.** There will be no changes to our Tobacco Club despatch schedule but please remember that **due to public holidays delivery may take longer than normal.***

So without further ado I bid you all a very happy festive season!

E.A. Carey

The foundations of this blend are derived from a heady mix of mature Golden Virginia combined with the best Burley available, whilst Black Cavendish ensures sweetness and aroma in the taste. The blend is topped off using spicy flavours and a wee dram of Highland Whisky.
